Avery Sinclair

SENIOR PRODUCT DESIGNER

avery.sinclair@example.com · (415) 555-0182 · San Francisco, CA · averysinclair.design · linkedin.com/in/averysinclair

SUMMARY

Product designer with 8+ years shaping thoughtful digital experiences for fintech and consumer platforms. I pair systems thinking with a high bar for craft to ship products that are clear, useful, and built to scale.

EXPERIENCE

Senior Product Designer · Northwind

Mar 2022 — Present

San Francisco, CA

- Led the end-to-end redesign of Northwind's mobile banking experience, lifting activation by 34% and reducing support contacts by 22%.
- Built the company's first design system, now used by 6 product teams and 40+ engineers across web and mobile.
- Partnered with research to launch a savings product that grew deposits to $48M within its first year.

Product Designer · Lumen Labs

Jan 2019 — Feb 2022

Remote

- Shipped a subscription onboarding flow that increased trial-to-paid conversion by 18%.
- Introduced quarterly usability testing, turning findings into a prioritized roadmap adopted across product.
- Mentored two junior designers and established a weekly critique ritual still in use today.

UX Designer · Fieldnote Studio

Jun 2016 — Dec 2018

New York, NY

- Designed editorial tools for independent publishers used by more than 12,000 creators.
- Cut time-to-publish by 40% through a streamlined content editor and clearer information architecture.

EDUCATION

Rhode Island School of Design

Sep 2012 — May 2016

BFA, Graphic Design

Providence, RI

Concentration in interaction design · Graduated with honors

PROJECTS

Morrow — Calm finance for freelancers · morrow.design

Side project exploring cash-flow-first banking for independent workers. Grew to 4,800 beta users in six months.

Field Notes No. 4 · fieldnotes.studio

An independent annual on the craft of digital design; edited and art-directed 32 contributors.
